Forestry Research Program:

Full Project Application

submission checklist

1. Before submitting your project proposal application, you must:

Step #	Action	Check
1	Download Project Proposal Full Project Proposal Form	☐
2	Read Project Proposal Guidelines	☐
3	Watch the instructional video	☐
4	Complete Project Proposal Full Proposal Form	☐
5	Provide all information requested including: • Completed Full Proposal Form • Certification of Project collaborators • Letters of support (including industry members or stakeholders supportive not directly involved in the project)	☐
7	Include all required and relevant documents to support your application	☐
8	Submit your Full Proposal application **AND** video by email to **grants@fwpa.com.au** as MS Word or PDF attachments. Video to be submitted via wetransfer.com	☐

2. Additional requirement for a Video submission (2 minutes) – the Pitch

In addition to the written submission, FWPA requests that ALL submissions are accompanied by a 2-minute video which explains:

- the aims, objectives and outcomes of the project and,
- how it will benefit Australian forest growers.

How to submit a video with your proposal:

- Record video
- Compress to a zip file
- Go to https://wetransfer.com/
- Upload video file
- Enter email to field (grants@fwpa.com.au)
- Enter own email

- Title (insert project title)
- Confirm email
- Click on transfer

For more information or assistance with submitting your project proposal, please contact FWPA's R&D team [via this link](.).
